

Terrorism & Political Violence

REInsurePro includes coverage for losses by an act of Terrorism and ideologically-motivated violence on all eligible locations, but can be removed at your request. This coverage does not require that the thresholds of the Terrorism Risk Insurance Act be met for a claim to be paid out. With a minimal set cost per unit, this policy fills a gap in coverage for investors that is becoming increasingly important.

Geographic Exclusions

- **Boston**
- **Chicago**
- **Houston**
- **Las Vegas**
- **Los Angeles**
- **New York**
- **Seattle**
- **Washington DC**
